## Sport:

We have had some major sporting successes over the past week! We are earning a fantastic reputation across Birmingham for our growing sporting achievements! Check out the school website and our twitter feed for photos of some of these events.

### Swimming Gala

On Saturday, 21 of our children attended the Kings Norton Swimming Gala. The coaches and parents who attended tell us it was one of the highlights of the year. The support the children gave to one another was a credit to the school. We would like to encourage as many parents to take their children swimming outside of school as it is a great way of keeping fit and such an important life skill.

### Cross Country

We have had a number of children winning medals in the recent cross country meets we have attended. Huge congratulations to all the children who won medals last Monday. If your child would like to attend a cross country event tell them to speak to Coach Adam, as he often has places available.

### Tag Rugby

On Tuesday our Tag Rugby Team were crowned Kings Norton District winners! We dominated the tournament with some fabulous team performances!

### General Reminders:

Well done to everyone that has taken part in the Big Pedal this week. As the week has gone by we have seen more children arriving at school on bikes or scooters. Remember, the event continues throughout next week too. More information can be found on the Big Pedal website. Don't forget to make sure that your children get off their bikes and scooters when they arrive on site so we don't have any accidents!

### Parking

Please remember when parking outside of school not to park on the pavement as this causes difficulties in particular for people with pushchairs and wheelchairs having to walk in the road.
