Sport:

Congratulations to all of the children who took part in the Winter Games Indoor Athletics Competition and the School Games Winter Festival this week. You all represented the school fantastically well!

Road Safety:

It was brought to our attention that some of our older pupils have not been crossing the road safely before and after school. We have spoken to the children about this in school, but felt it was important to let parents know as well. If your child does come to school or go home on their own it is really important that you discuss road safety with them. Our first priority is the safety of the children, but we cannot keep them safe when they are not on the school site. With the Easter Holidays coming up children may be playing out and be near to main roads. Even the most sensible children need reminding about road safety!

Support for children with a special educational need:

Are you the parent of a child with special educational needs?, Do you want to meet with other parents and learn about national and local services and what they can offer? Do you want to feel more confident about working with practitioners and making decisions about your child's journey? If the answer to any of these questions is yes, then there is a course available to you.

Tuesday 30th April and 7th, 14th, 21st May and 4th June 2019

At Lakeside Children's Centre, Lakes Road, Erdington B23 7UH

These workshops are for parent/carers of children and young people of any age, with any additional need following diagnosis. They are an attempt to support parent/carers through times of change and at whatever stage of the journey participants may find themselves.

Please ask at the school office for further information and to collect a booking form.

General Reminders:

1. Raffle tickets are on sale in the mornings at the front of school and on the back playground from Monday 8th April for 50p per strip. If you would like to donate a prize for our Easter raffle, this can be sent to school from Monday 1st April.

2. Make sure you have written a parent comment in the Spring 2 section of your child's Passport to Success before next Wednesday.
3. KS2 SATs are approaching! Remember we run early morning mathematics booster sessions every morning from 8am. We'd like to see as many Y6 children there as possible!
